

## Work Platform & Crossover Series

1-800-565-2165

Full Line Climbing & Access Products / Work Platform & Crossover Series

### Double-Sided Work Platform (DS)

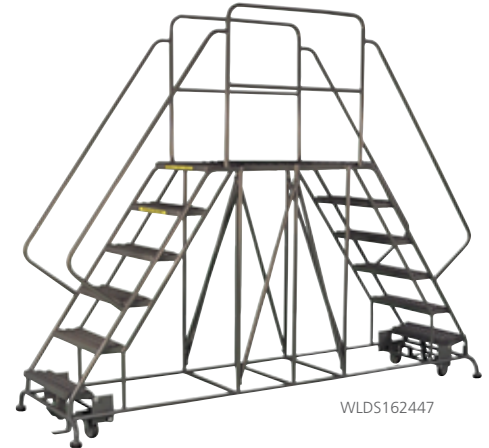

#### California OSHA Requirements

For more rigorous CAL-OSHA requirements for ladders with top platforms 50" and higher, the following parts are required to meet code:

Part #	Models
C	5 - 7 steps

#### Construction & Features:

- 1½" Tubular steel construction
- Powder coat gray paint finish
- All-welded construction
- Standard Grip Strut™ aggressive slip-resistant tread design
- Access from two sides of platform
- First step actuated locking system standard on both sides on all models

**800 lb. rated capacity!**
