Full Line Climbing & Access Products / Work Platform & Crossover Series

Work Platform Options

Standard Feature Optional Feature

Locking System

StepLock

California OSHA Requirements

For more rigorous CAL-OSHA requirements for ladders with top platforms 50" and higher, the following parts are required to meet code:

Part #	Models
C	5 step

Work Platform (WP)

Construction & Features:

- 1½" Tubular steel construction
- Powder coat gray paint finish
- All-welded construction
- Standard Grip Strut™ aggressive slip-resistant tread design
- Two 4" casters for easy transport
- Two large 2.5" diameter rubber pads for added stability
- Optional first step actuated locking system on all models

WLWP132436

800 lb. rated capacity!

Without Handrails
